# BRATTLEBORO WALK-IN CLINIC

Do you realize many people living in our community do not have adequate health insurance coverage or cannot access health care?

The Brattleboro Walk-In Clinic was started in 1993 as a no-budget, grassroots effort by a small group of physicians, nurses and other members of the health care community. We are a non-profit organization whose mission is to provide primary medical treatment to persons regardless of their ability to pay and to serve as a medical screening and referral resource for the community and other organizations.

This fundraising event raises almost half our annual budget. Your support and participation are important, allowing us to continue to offer our services to those in need in our community.

Last year, the Clinic provided 322 free medical patient visits and 63 free dental patient visits.

## BWIC Hours of Operation:

- Tuesday Evening
- Check-In 5:00pm-7:00pm
